## **2009 Crop Report Questionnaire**

Please find enclosed your 2009 Stanislaus County Crop Report Questionnaire. The information gathered in this report is used to compile statistics that are valuable to Stanislaus County, the State of California, and most importantly, you, the producer.

Our County obtains information for the Stanislaus County Crop Report from several different sources, however, much of the information can only be provided by the individual producer. **The information you provide is used only for this crop report and is anonymous and kept strictly confidential.**

### **Why is This Crop Report Important to You?**

- Lending institutions use the information from the crop report to help make decisions about farm loans.
- Local, State and Federal Government Agencies use information from the crop report to help determine when to make disaster declarations, and what kind of compensation is due.
- Elected officials often make policy decisions based on the value of agriculture to our State and Local Economy.
- The Stanislaus County Crop Report offers accurate, useful information that is used to answer questions from the media that is in the best interest of agriculture.
- The Crop Report helps to point out changing trends in agriculture.

The Stanislaus County Department of Agriculture does not have access to any federal surveys that you may have filled out. **Please fill out this questionnaire and return it to our office by January 31, 2010.** You may also bring it with you when you get your 2010 restricted materials permit, or the questionnaire form is also available on line and can be e-mailed to agricultural inspector Mike Terra at [MIKET@stancounty.com](mailto:MIKET@stancounty.com).

If you have any questions regarding this questionnaire please call this office at (209)525-4790 and ask for me, Tim Pelican, or Mike Terra.

Thank you,

Tim Pelican  
Deputy Agricultural Commissioner/Sealer
