

S: Non-Agricultural Use Requirements

The following permit conditions apply to all Stanislaus County Restricted Materials Permits for Non-agricultural use

1. Application of restricted materials for commodity fumigation requires a Notice of Intent (NOI) at least 24 hours in advance. A monthly NOI could be submitted, if the fumigation takes place at the designated facility.
2. Notice of Intent for restricted materials for non-agricultural use other than commodity fumigation are required to be submitted 24 hours prior to each application and should be site specific.
3. Use of Methyl Bromide and Sulfuryl fluoride requires a valid work-site plan and the site has to be evaluated each year prior to renewal of the permit.
4. The Certified Applicator must be physically present on site during introduction of fumigant and aeration commencement.
5. If the fumigated product is stored inside the building, a continuous monitoring for the presence of fumigant is required in the worker area.

NOTICE: FAILURE TO COMPLY WITH THESE CONDITIONS AND OTHER PERTINENT LAWS AND REGULATIONS MAY RESULT IN REVOCATION OF YOUR PERMIT AND THE POSSIBILITY OF FURTHER ADMINISTRATIVE ACTION BY THIS DEPARTMENT.
