California Department of Food and Agriculture
and
The Honorable Board of Supervisors
Stanislaus County

Gentlemen:

The 1980 Stanislaus County Annual Crop Report is hereby submitted in accordance with Section 2279 of the California Food and Agriculture Code. The total gross income is estimated at \$742,426,200. Emphasis must be made that this figure includes all costs of production and does not indicate that this is net return to the producer. Net incomes, as always, were affected by rising costs of production, higher prices on farm supplies and equipment, labor and other costs.

The ten leading commodities are listed below, with their 1979 ranking in parentheses.

1. Milk, All	\$180,628,000	(1)
2. Chickens, All	87,211,000	(3)
3. Almond Meats	80,181,000	(2)
4. Chicken Eggs, All	64,339,000	(4)
5. Cattle and Calves	42,801,000	(5)
6. Peaches, All	34,984,000	(6)
7. Grapes, All	33,767,000	(8)
8. Walnuts	28,608,000	(7)
9. Dry Beans, All	25,590,000	(9)
10. Silage, All	21,026,000	(13)

The acreage figures throughout the report include double-cropped and interplanted acreage.

We wish to thank everyone who cooperated in the preparation of this report.

Respectfully submitted,

Armen V. Sarquis
Stanislaus County
Director of Cooperative Extension

Hugh Sinclair
Stanislaus County
Agricultural Commissioner
